## Color sample

# BODIOS Hydro Wax Stain No. 340

BODIOS wax stain No. 340 is suitable for softwood ceilings or walls in bright and vivid colours and can be applied quickly and easily with a sponge or brush before or after mounting the wood.

By wiping the different shades of colour into each other, lively and expressive effects especially suited for the decoration of shelves, furniture and walls in children's rooms are possible.

In the case of walls or toys, a further layer of ARDVOS wood oil No. 266 or KUNOS natural oil seal No. 244 protects the coloured layer

For more information, in particular on the appropriate LIVOS primers, please refer to the Technical Data Sheet which can be found on our website: [www.livos.co.uk](http://www.livos.co.uk). ### Processing note

The wax stain is water based and dries quickly. No migration of heavy metals. The treated surfaces are resistant to saliva and sweat according to DIN 53 160 and according to DIN EN 71, part 3 suitable for toys. There is a choice of 11 shades of colour. The white shade applied on a wood panelling results in the effect of limed wood.

### Coverage

**1 liter (1.06 quart):** For 15 - 20 m<sup>2</sup> (161 – 215 ft<sup>2</sup>), i.e. 57 ml/m<sup>2</sup>

Coverage could be considerably less, depending on the condition and absorbency of the surface.
